Experience

Team Member · **The Pilgrim Fryer Padbury**

2026 - Present

I currently work at the Pilgrim Fryer; a fish and chip shop located in Padbury. Working at the fish and chip shop has taught me how to work efficiently in a fast-paced environment while maintaining a high standard of customer service. It has improved my communication and teamwork skills, as I regularly collaborate with colleagues and interact with customers. The job has also helped me develop responsibility, time management, and the ability to stay calm under pressure during busy periods.

Education

High School Student · **Trinity College**

2026 - Present

I am very successful in my schoolwork, having a Grade Point Average (GPA) of 5 in my last semester's report. I am in all the extension classes showing I am willing to push myself to strive for excellence. As well as that I have achieved an amazing Attribute Point Average (APA) showing I am very organised and can be independent, self-managing what I need to do. In school I also participate in optional roles/positions. For example, these include being a student leader, participating in athletics and helping with events such as tours or morning tea around the college. I also play in the top team for school footy and basketball. I often volunteer to help at primary schools through the Christian Service program and help at the Trinity primary school. Aswell, I am currently on my Gold Level in the Duke of Edinburgh Award.
