Profile

Dynamic, adaptable and multitask I am a cold headed, problem solving kind of person who grew up in a restaurant. Seasonal worker currently in Perth I am ready to relocate if necessary. I am looking for a job which will allow me to evolve in a safe environment and complete my 6 months work required to sign off for a third year visa allowance. I am currently studying at "La Sorbonne Nouvelle University" in Paris in order to become a language teacher or a translator. I would like to learn new skills and improve myself.
