

ALEXANDRE PALUSSIÈRE

CARPENTER

PERSONAL SUMMARY

Skilled carpenter with more than 5 years of experience in both the Australian and French markets, specializing in framework, formwork, roofing, flooring, cladding, steel, and timber framing. I hold a Certificate III in Carpentry, and I have strong hands-on expertise, as well as a solid understanding of safety and project management. My ability to adapt quickly and manage teams has contributed to the successful completion of numerous projects. I am passionate about quality craftsmanship and seeking new carpentry opportunities.
