## About

I am a skilled carpenter with more than 5 years of experience in both Australian and French markets, specializing in framework, formwork, roofing, flooring, cladding, steel and timber framing.

I hold a Certificate III in Carpentry and i have strong hands-on expertise and a solid understanding of safety and project management.

My ability to adapt quickly and manage teams has contributed to the successful completion of numerous projects. I am passionate about quality craftsmanship and seeking new carpentry opportunities, available to start ASAP.
