International Student – Bachelor of Science in Nursing
Edith Cowan University (ECU)
Email: giremutangi@gmail.com | Phone: 0419 303 891

Objective

I am a passionate and empathetic nursing student from Zimbabwe, currently in my first year at Edith Cowan University. I'm a quick learner with excellent communication skills, a compassionate nature, and a strong desire to make a meaningful impact in people's lives. I am willing to undergo training and any professional development as required.

Work Experience

Sales Receptionist- Ithebarber

Harare, Zimbabwe | Jan 2024 – Jan 2025

- Provided welcoming, friendly service to clients in a busy grooming business.
- Managed appointments and front desk operations, ensuring smooth daily workflow.
- Handled payments and promoted retail products with clear communication and care.
- Maintained a clean and professional environment, supporting team members throughout the day.

- Developed interpersonal and customer service skills valuable in healthcare settings.
-

Key Skills

- **Empathy & Compassion:** Naturally caring and able to connect meaningfully with clients.
 - **Communication:** Strong verbal and written English skills; confident in active listening and expressing care clearly.
 - **Reliability & Responsibility:** Committed to showing up and doing my best with consistency and integrity.
 - **Teamwork:** Collaborative and respectful, always willing to help and learn from others.
 - **Time Management:** Juggle studies and commitments efficiently with a calm, organised approach.
 - **Adaptability:** Able to quickly adjust to new environments and client needs.
-

Availability

- Thursday : available all day
 - Friday- AM
 - Saturdays & Sundays - available all day
 - Maximum of 48 hours per fortnight
-

Relevant Experience & Interests

- Volunteered with ZAOGA Youth Committee in Zimbabwe, visiting and supporting elderly, orphaned, and mentally unwell individuals.
- Delivered groceries, facilitated therapeutic activities like art, provided spiritual support, and provided emotional support and companionship for clients with dementia and Alzheimer's.
- Deeply invested in person-centred care and creating safe, joyful spaces for people to thrive.
- Provided assistance to clients with activities of daily living whilst encouraging and supporting their autonomy and independence
