About

I am a hard-working, detail-oriented individual with a strong work ethic and a willingness to learn, thriving in team environments. My experience as an All-Rounder at Little SUP Cafe, Little Alby, and City Beach Surf Club Kiosk has equipped me with comprehensive skills in customer service, handling orders and payments, preparing simple foods and beverages, and maintaining clean, organized work spaces. I am adept at collaborating with team members to ensure efficient service, even during busy periods. Beyond my work experience, I have demonstrated leadership and community involvement through roles such as Student Councillor and Junior Leader with Girl Guides Western Australia, and hold a SafeTALK Certification. I am fluent in both English and German, with a certified C1 level in German.
