MTAANI RADIO 99.9 FM

Date 31st December 2014

RE: Letter of Recommendation for Mr. Athman Mugoja

To Whom It May Concern

The purpose of this letter is to enthusiastically recommend the above mentioned person; He worked for Mtaani Radio, editorial department from 1st January 2014 until 30th December 2014.

I closely observed Mr. Athman Mugoja work in our media organization-Mtaani Radio as the station manager, where he was engaged with following duties;

- Leading programming teams at the stations,
- Ensuring the team to produce programs that meets the creative and commercial needs of the station
- Supervise all radio programs and make sure they contain 75% of the local content as required by the Communication Authority of Kenya.
- Train and develop the teams, and undertake day-to-day management of all staff in the programming departments, encouraging creativity and commercial awareness.
- Represent the station externally at a local level, building relationships within the community, ensure the programming complies with the laws, regulations and industry codes governing radio broadcasting, and make sure that complaints are dealt with swiftly.

I would say he was one of the most creative and talented program controller at the station, he was so exceptional at vivid description and at imaginative phrase making.

With his permission I would like to quote from Mr. Athman evaluations by his direct supervisor editor at Mtaani Radio. "Mr. Athman grew by leap and bounds over the months and he constantly continued to improve and his role was recognized by the station and the team he lead.

Mr. Athman he's flexible when necessary, easy to work with and he showed a lot of enthusiasm for his job, all characteristics that make to have him as a staff.

He has a very special spark, and I trust he will go far in making our world a better place.

Sincerely,

Kelvin M. Nyangweso,
Station Manager-Mtaani Radio
